Wow...some exciting stuff going on at KPR!!!!

Our ROMAC patient Nidia dos Santos and Mum Angelica departed last Tuesday evening from Adelaide Airport.

I am sure husband Felix would have been missing Nidia and Angelica....but he has had 8 other of his children to keep him company.

This has been a life changing visit for Nidia and I am sure she will remember fondly her Specialists, helpers and hosts Annabel & Grant Price and Cathy and Peter Farquhar. They have given our Club great service as they have cared for and supported Nidia and Angelica 24-7....thankyou on behalf of all KPR. A wonderful experience for all of us.

Now the Thankyou event this Tuesday night at WBSC at which His Excellency the Governor Lieu van Le will be at KPR personally thanking all those involved. A very special occasion for KPR which has not occurred for us previously in the history of the Club.

Secretary Wayne has provided you all the detail by separate email.

Our numbers are strong with likely around 50 attendees....you must RSVP to Kevin Tigegemann by Sunday 5pm so that catering can be put in place.

Remember that we need to arrive by 5.45pm on Tues so all attendance matters can be finalised before the Governor and Mrs Le arrives at 6.20pm.

His Excellency is the Patron of ROMAC SA. There is Vice-Regal protocol that does apply for the occasion.

Our visit last Tuesday to Port Adelaide Community Outreach Centre (PACOC) was highly successful thanks to the organisation and preparation by Brian Macdonald.

We learned a lot about PACOC and their needs.

We also had pre-arranged visitors from Port Adelaide Rotary Club, being acting Pres David Hunter and PE Steve Smart....yes they do have a PE.

Brian has prepared a possible Action List from which PARC will likely take responsibility for Chairs, Computers, Training of IT and desks. It will be great to have them partner KPR if that evolves.

I have discussed the Actions with Brian and next step is for that one page list to be emailed to our Board Members for their thoughts.

The list is very achievable and without much cost. If the Board approves the direction then the Action List will be discussed at our next KPR Dinner Meeting for feedback and then presuming a yes path we can get started. PARC have their Board Meeting shortly and will advise their direction.

A really informative evening....and a very worthy cause. Thanks Brian for all your homework on this one.

We had a meeting of a Bookmart subcommittee last Tuesday morning, the Committee being Stuart, Brian, Paul, Margaret and I. We collectively will be preparing a proposal for KPR to be continuing to run our Bookmart after all the Footy Park subdivisions in 2020 in a brand new building with west Lakes Library, situated north west of the actual oval.

It is important for the future finances of KPR that we are successful with this proposal.

And some stop press from Ed King...KPR has been successful with its Grant Application for $4000 for Backpacks for Kids...thanks to Frank Bunnik and Chris Branson in preparing and lodging ...and having the vision to apply.

That’s enough from me....big week for KPR next week (as if this last week was not)

Cheers Pres Warren.

THE FOUR-WAY TEST
OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERNED?
Club News:

Important Guest at our next meeting.

His Excellency The Honourable Hieu Van Le AO and Mrs Le visiting Romac patient Nidia dos Santos & her mother Angelica at the Memorial Hospital. The Governor is the South Australian Patron for ROMAC.

The Governor, His Excellency The Honourable Hieu Van Le AO and Mrs Le and probably several others (Doctors / Nurses who assisted with Nidia dos Santos’s operation) will be our guests at the meeting on August 18th.

The GOVERNOR wishes to personally thank ROMAC and the Rotary Club of Kidman Park for assisting Nidia.

It is anticipated that The Governor will arrive at 6.20 pm. He will probably leave around 7.15 pm.

Since this is a very rare and special occasion, we hope that many Members and Partners will attend.

There are a number of protocols that we must follow: -
- Members (and Guests) should stand when the Governor enters the room.
- The Governor should be addressed as “Your Excellency” or “Sir”

To assist to make everything go to plan we ask you to: -

- Confirm whether you will be attending the meeting.
- Will your partner be attending?

Please email your response By Friday 14th August to: Kevin Tiggemann at: - businessaspire@live.com

It is also very important that everyone has arrived, paid for their meal and purchased their drinks before the Governor arrives.
We ask that you aim to arrive by 5.45 pm to avoid any late arrivals / congestion.
Club News:

Community.

Port Adelaide Community Outreach Centre.

Last week’s meeting was held at Port Adelaide Community Outreach Centre, in the Hall at the rear of St Paul’s Church St Vincent Street.

David Hunter & Steve Smart from The Rotary Club of Port Adelaide joined us, to listen to John Badgery and several volunteers from the Centre outline their vision for the Centre and how our Rotary Club/s may be able to assist.

John’s priorities (and the primary areas where our Rotary Club/s may assist) were:

- Complete the construction of a timber framed wall at one end to partition a section from the main hall.
- Re-decorate (paint) the walls in the main hall; and the walls and ceilings in several adjoining rooms.
- Provide new shelving in one corner for the Books in their bookshop. John also mentioned they would like to expand the Bookshop and would welcome receiving any surplus books from our Bookmart.
- Provide new shelving in the storeroom to allow a more efficient use of the storeroom space.
- Provide chairs for the Hall.
- Provide several computers, complete with desks for use by visitors and to allow them to access Government agencies websites, including Job Search sites. They would also encourage the Elderly residents in the area to use the computers.

Other goals for the Centre included:

- Building a team to run Paul’s Place.
- Developing the team that runs the Op Shop.
- Providing appropriate Management Structures.
- Setting up a program of Hall use and Events.
- Developing a Web presence.

We enjoyed a tasty Pizza Meal and cake and coffee was also provided. Great Value at $10.00

Brian Macdonald, our Community Services Committee Director has already established where we may obtain goods and equipment for several items on John Badgery’s list and President Warren Hobbs committed to responding to the Community Outreach Centre within several weeks, following further discussion with the Club’s members and Club’s Board.

One of the Ladies (joint Co-ordinator) of the Op Shop also mentioned they generally had a good supply of Women’s clothing but always needed more Men’s Clothing. She encouraged our Members to look through their wardrobes and donate any surplus clothing to the Op Shop.

### District Governor’s Visit

Members who have thoroughly read the District Directory may have noticed that DG Doug Layng was scheduled to visit our Club on August 11th. This date clashed with our visit to Pt Adelaide Community Outreach Centre and the DG has graciously changed his visit to Kidman Park to October 20th.
Vision: to develop leadership potential in youth from diverse backgrounds through residential programs, empowering them to make positive change in their communities; sponsored by Rotary and run for youth, by youth.

Chris Branson received by mail these two cards from RYLA students we sponsored.

Mission:
- develop leadership skills in youth
- deliver engaging session in areas of leadership, self development, team work, conflict management, public speaking, time management, goal setting and other areas of professional development
- provide a safe, encouraging environment for self development and increased self confidence whilst networking with like-minded peers
- introduce young leaders to Rotary programs and give awareness of other leadership opportunities within Rotary

BBQ Trailer.

The Community Service Committee has committed to cooking the food at this community BBQ, provided by The City of Charles Sturt.

The City of Charles Sturt are providing all the BBQ consumables (But not the gas).

The Community Services Committee have requested a $50 fee for their gas and time.

The event has been widely advertised by the Council. See The flyer. The flyer also advises our members what the BBQ is all about.

It is a trial project for residents in the local area, which we hope will see locals growing their own vegetables on council land.

Travel Directions for Rotary BBQers attending the day is: -

Travelling north on Bartley Terrace, go past the Bartley Tavern Hotel and further on turn left into Eagle Court, Semaphore Park; and park.

The BBQ will be on Trust Reserve which will be visible from the end of the cul-de-sac in Eagle Court.
